

Garden DesignFest 2018

Garden DesignFest, which showcases the work of some of Victoria's leading professional garden designers, will be held in November 2018.

Gardens will be open to the public (10am to 5pm) over two weekends:

- 10 and 11 November: Gardens in rural Victoria (Ballarat, Bendigo and Macedon Ranges)
- 17 and 18 November: Gardens in the Metropolitan area and Mornington Peninsula

Twenty nine hand-picked, professionally designed, private gardens will be open to visit, all with high profile designers represented.

Garden DesignFest organised daily bus tours to selected gardens are also available. Find out more at <http://gardendesignfest.com.au/bus-tour/>

Garden DesignFest is a fundraising event managed by the Rotary Clubs of Kew, Brighton North and Central Melbourne. The main charity to benefit from this year's event will be End Trachoma by 2020. Held biennially since 2004, Garden DesignFest has raised \$530 000 for Rotary and other Charities.
