**MEDIA RELEASE - SALE OF BATPHONE AUST PL –
Plant of Health® Fertilisers, Tuffys™ Unbreakable Tubs & associated brands.**

5th May 2020

***Do you like the horticulture industry? Would you like to own your own business?
Rarely does a business become available for purchase that has excellent long term,
sustainable growth and profit, in a huge, expanding, consumable market, which also
boasts the potential to scale up sales exponentially!***

Having followed their passion in the horticultural industry for over twenty years, co founders Garry Fraser & Des Warnock, of Batphone Australia PL, manufactures and distributors of Plant of Health® eco friendly fertilisers, TUFFYS™ unbreakable tubs and other brilliant products, have decided to offer the business for sale. With pending retirement and other opportunities, it is time to pass the business to the next generation.

Batphone Australia PL is based in Brisbane, Queensland, Australia and has been manufacturing and distributing eco friendly horticultural products nationally for over twenty years. They also export fertilisers to Japan and India.

“We have enjoyed the past twenty years in the industry, and it’s a great opportunity for new owners to buy into an established business, with great proven products, that are well accepted in the market.” Des said.

Interested parties should email info@batphone.com.au with their company &/or contact details, for a copy of the company profile/prospectus.

Regards

Garry Fraser
